FOREWORD

When the days have lengthened into weeks, the weeks into months and the months into years, only memory will remain as the bridge to "The Year That Was." The purpose of THE GOVENOR is to strengthen that bridge and to make "The Year That Was" a little nearer than it would otherwise be. We the staff, leave the following pages of tangible memories with mixed feelings of regret and eager anticipation.

We, THE GOVERNOR STAFF, have sought to capture and record for you, the students of Goochland High School, the rapture of such a year - a year which you yourselves have made as you went "striving, seeking, finding," each day. We present the 1965 GOVERNOR, the story of "The Year That Was," with the wish that it may glorify for you the moment and enable you to hold forever the joy that was yours in making it.

DEDICATION

To the student of the past who helped to make the traditions of our school what they are today; to the student of the present who is proudly loyal to those ideals, ever seeking to maintain and advance them; to the student of the future who will continue to carry on in the same trustworthy manner, we wish to pay tribute by dedication this 1965 Edition of THE GOVERNOR.

VARSITY CHEERLEADERS

"For the red, Fight! Fight! For the gold, Fight! Fight!" are familiar words to sport fans at G.H.S. Through freezing cold, or drenching rain, the cheerleaders devoted their time and energy to leading supporters of the Bulldogs' team.

The cheerleaders earned money to send girls to camp by giving dances, car washes and other things. The peak of the year came when Mary Powers, Judy Martin, and Juanita Parrish received awards for outstanding cheerleading at the Football Banquet.

Friendship Circle with Cumberland.

Sponsor: Mrs. David Johnson

GOOCHLAND HIGH SCHOOL BAND

From eighth graders to Seniors, interested and talented students have the opportunity to take part in the band. The members work throughout the year to produce fine music, enjoyable entertainment, and experienced musicians.

Under the direction of John G. Perkins, the band not only provides music for programs, it also adds color and school spirit to all home football games. Marching in parades encouraged members to put forth their best in order to return with honors for G. H. S.

Robert Ford, student director, leads the Choral club in a song.

STUDENT COUNCIL

The Student Co-operative Association, better known as the S.C.A., is the governing body of the school. It is perhaps the most important organization in school because every student is a member and takes part in its activities. Its officers, including the President, who presides at all student assemblies, are elected in the spring. The next fall these officers, with the class presidents and homeroom representatives make up the Student Council. The homeroom representatives take care of all S.C.A. business in their homerooms.

This year the Student Council, under the leadership of its sponsors and officers, President: Tom Mills; Vice President: Eddie Carpenter; Secretary-Treasurer: Pat Long, undertook as its goals sponsoring more and better assemblies, and improving student behavior.

YEARBOOK STAFF

With the coming of September '64 came the desire for another yearbook for G. H. S. The staff pictures here rallied to produce this GOVERNOR that you now own.

These people have worked hard. They have done their work patiently and efficiently--often at sacrifice of more enjoyable plans. An editor could not have hoped for more cooperation than these staff members exhibited. It is to them that your thanks should be directed.

SPOTLIGHT STAFF

The dream of editors and staff members of THE SPOTLIGHT for the publication of a paper that would bring to the students of Goochland High School the important happenings of the school, came to life in September of 1962 when we for the first time had a printed paper.

The staff and sponsors of THE SPOTLIGHT have carried through the years a paper which each year turns out a little better than the year before.

The school takes pride in THE SPOTLIGHT with its wider coverage of school events and greater appeal for the readers.
